Hubbard’s Farm Meat CSA

Local farms throughout Massachusetts, and across the U.S.A. are offering Community Supported Agriculture (CSA) as a way to introduce local food sources to area residents, while sustaining family-owned farms.

**Hubbard’s Farm Meat CSA** presents an opportunity for you to invest in local agriculture. By becoming a member of our CSA, you will make an advanced financial commitment to our farm. In return, you will receive a portion of the farm-raised meat we produce.
